Definition of bullying

Bullying is not:

It is important to understand that bullying is not the odd occasion of falling out with friends, name calling, arguments or when the occasional trick or joke is played on someone.

Bullying can be defined as "*behaviour by an individual or a group, **repeated** over time that intentionally hurts another individual either physically or emotionally*". (DfE "Preventing and Tackling Bullying", July 2017)

- Bullying can include name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours.
- This includes the same unacceptable behaviours expressed online, sometimes called online or cyberbullying. This can include: sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.
- Bullying is recognised by the school as being a form of child on child abuse; children can abuse other children. It can be emotionally abusive and can cause severe and adverse effects on children's emotional development.
 - Abuse is abuse and it should never be tolerated or passed off as "banter", "just having a laugh" or "part of growing up".
 - We recognise that even if there are no reports of bullying, it does not mean it is not happening and it may be the case that it is just not being reported.
 - All victims will be taken seriously and offered appropriate support, regardless of where the abuse takes place.

School Ethos

Whimble Primary School community recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.

By effectively preventing and tackling bullying our school can help to create a safe and disciplined environment, where pupils are able to learn and fulfil their potential.

Our Community:

- Recognise that bullying may be affected and influenced by gender, age, ability and culture of those involved.
- Openly discuss differences between people that could motivate bullying, such as: children with different family situations, such as looked after children or those with caring responsibilities, religion, ethnicity, disability, gender, sexuality or appearance related difference.
- Challenge practice and language (including 'banter') which does not uphold the school values of tolerance, non-discrimination and respect towards others.

- Implement appropriate disciplinary sanctions; the consequences of bullying will reflect the seriousness of the incident, so that others see that bullying is unacceptable.
- Use a variety of techniques to resolve the issues between those who bully, and those who have been bullied.

Education and Training

The school community will:

- Work with all parents/carers and the local community to address issues beyond the school gates that give rise to bullying.
- Ensure that parents work with the school to role model positive behaviour for pupils, both on and offline.
- Ensure all parents/carers know about our complaints procedure and how to use it effectively, to raise concerns in an appropriate manner.
