## The Newsletter for Whimble Primary School

Issue 11 - 21

26.11.21

Make sure you wrap up warm this weekend, it sounds like we could be in for some winter shower!

### **Covid**

A letter has been sent accompanying the newsletter today, regarding our current Covid 19 situation in school. Many of you will be aware that we have some children that have recently tested positive. Please read the letter carefully.

It is important to remember that if children are unwell generally, that they should be kept at home. I know this can be difficult to decide upon, however, if you are having to regularly medicate them in order to get them through the day or night, then they should be kept at home to rest.

Please continue to report any cases to us as we have to keep a record.

We will continue to monitor the situation and keep you updated. A decision with regards our Christmas events, will be made next Friday.

### **School Photographs**

You should have all received a paper copy of your individual/sibling photograph proofs. All orders are made online and for free delivery prior to the end of term, orders need to be made by 4th December.

### **Winter Weather**

Please ensure your children have a coat at all times. Children will be taken outside to get fresh air and need to have the appropriate clothing.

### **Christmas Decorations**

We were lucky to be selected by Killerton to decorate one of their trees in the chapel this year. The theme was based around recycling and many of the children were involved in making the decorations. Miss Clarke kindly helped me to decorate it - the end result looks amazing!

# Dates for your diary

Saturday 4th December

PTA Handmade Market

Sunday 5th December
