The Newsletter for Whimble Primary School

Issue 6 - 22

10.06.22

This week has flown by - cannot think why!

I hope you all managed to have a reasonable break and were not unfortunate enough to be caught up in all the travel chaos.

The jubilee celebrations were wonderful and a credit to the country, well worth a catch-up.

Scooters and Bikes

Children are welcome to ride their bikes or scooters to school wearing the appropriate safety equipment. These can be left in the area beside caretakers shed.

School cannot take responsibility for these items outside of school hours.

We have had some recent reports of older children entering the playground in the evening and weekends. Even though we are physically unable to prevent this, the school is private property and if you see anyone it may be worth reminding them politely.

Relationships and Sex Education

As part of your child's educational experience at Whimble Primary School, we aim to promote personal wellbeing and development through a comprehensive taught programme of Personal, Social, Health and Economic (PSHE) education that gives children and young people the knowledge, understanding, attitudes and practical skills to live healthy, safe, happy and fulfilled lives, both now and in the future.

Learning about the emotional, social and physical aspects of growing up will give children and young people the information, skills and positive values to have safe, fulfilling relationships and help them take responsibility for their own well-being.

From September 2020, Relationships and Sex Education (RSE), along with Health Education, is **statutory**, and forms part of the National Curriculum. This aspect of the curriculum will be taught in all classes this half term. For more details of what is covered please look at the website - https://www.whimble-primary.devon.sch.uk/website/relationships_and_sex_education/522030

If you have any questions please contact the office to arrange an appointment.

Weather

As always our weather is unpredictable. Children need to have a waterproof coat and a sunhat, (and suncream if really sunny), available to them in school.

PE kits should also be in school at all times for children to change into for their PE lessons.

Dates for your diary

Week commencing 6th June

Wednesday 15th June

Friday 17th June

Friday 1st July

Friday 8th July
