Issue 10-19

15.11.19

At least Pudsey brings a bit of sunshine into our lives which seems to have been lacking in our weather in recent weeks. I always find Children in Need a humbling experience in as much as whatever is going on in our own lives there are always many children that are experiencing so much worse and coping with it through the support paid for by Children in Need.

Children In Need

A massive thank you to those who have helped to support Children in Need today.

There are two competitions running for the next week - a Pudsey colouring competition for Reception and Key Stage 1 and word searches for Key Stage 2. Entries need to be in by next Friday morning (22nd November) with a small donation.

Parent Governor

We are pleased to welcome Mrs Kate Needs as our new parent governor. She is one of three governors that represent parents on the governing body.

Punctuality

Teachers are on duty in the playground from 8.50 a.m. to help provide children the time to sort themselves out in the morning so they are ready to start school at 9a.m. Please help your children by giving them a few minutes before nine so they can start the day calmly. Thank you.

Polite Request for children in Elm Class

In order to support children's feet it is important they have trainers to change into for their P.E. sessions. Please can you help your children in Elm Class remember to have their trainers in school during the week. Thank you.

Support for Parents

Parent Info is a free information service offering parents help and advice for families in a digital world. Direct link below:

Christmas Fair! Friday 13th December

We need your donations! Please could you bring any gifts (lucky dip prizes, toys, books and gifts for parents) and give to Amanda Denton, Katy Hill or Tanya Hynd or to the school office by Friday 6th December.

Make the call!
0800 05 02 999

- Children are at greatest risk if there is a fire. Find out how to keep them safe. Our specially trained Technicians can tell you how.
- A third of fire deaths happen in properties without a working smoke alarm. Our Technicians will provide and fit one **free** of charge.

We are here to help, please call and reduce the risk.
