Devon Norse are delighted to bring you our menu for Spring Summer 2019. Our menu has been created in our Devon Norse kitchens by our kitchen managers and all our dishes have been sampled by children across Devon before taking their place on our menu. Our menu is accredited with Silver Food for Life served here and is compliant to school food standards. We have some exciting new dishes on the menu including Organic Beef Grills and our Italian meatball pasta bake made with organic pork meatballs. Of course no Devon Norse menu would be complete without our Cheese Wheels. Our new tortilla boats filled with lightly seasoned diced chicken are sure to be popular as we hope our BLT Mac 'n' Cheese will be too - a traditional macaroni cheese with an added twist including Bacon, Leek and Tomato. We have also introduced Pip Organic Lollies, allergen free and made from organic apple juice. Our sugarsmart ambassadors have been working hard to reduce sugar in our puddings and have created flapplejack, a wholesome flapjack with grated apple, our sticky chocolate cake with courgette and a delicious pear & chocolate crumble. Our fresh fruit platter brings together a selection of seasonal fruits, plus salad, fresh fruit and yoghurts are all available every day to encourage healthier choices. Our food facts are brought to you by Farmwise Devon. Devon Norse are proud to sponsor the Food Zone at Farmwise Devon and in the Children's Farm at Devon County Show. Please come along and see us if you are visiting either event and learn more about food and farming in Devon and meet some of our local suppliers.

SPECIAL DIETS

We take your children's dietary needs very seriously and ask that you let us know if your child suffers with a food related allergy, or has any other medical or cultural dietary needs. We ask that you contact us, or your school, for a special diet form. Once we receive your form, we will arrange to meet with you and the Kitchen Manager to arrange a suitable diet plan. Information on the allergen content of our menus is available on our website www.devonnorse.co.uk as a guide and this is updated as changes occur, which are sometimes beyond our control. If your child does have a specific dietary need, please make sure our catering teams are aware and that you check the website regularly for updates.

FOOD SUPPLIERS

Wherever possible, Devon Norse source foods from Devon and across the south west. Our fresh meat comes from Scorse Foods most of which is raised on farms across the South West to higher welfare standards. All our meat is British, minimum of Red Tractor and some Organic.

Langage Farm make our delicious Ice Cream in Plympton and we have dairy produce on the menu from local dairies including Yeo Valley and Wykes.

Our groceries are now distributed by Savona Food Service South West (formerly Ilfracombe wholesale groceries) who share our ethos for supporting local producers and have been servicing the food service industry for over 40 years.

Devon Norse work closely with Environmental Health, Trading Standards and our suppliers to ensure we are using the best and safest ingredients.
