## The Newsletter for Whimble Primary School

Issue 3-19

20.09.19

Thank you to all those who have attended the parent information sessions (so far). We hope they have been useful. For those who were unable to attend, we will make the information available to you soon.

### **Data Collection Sheets**

Your child will come home with their data collection sheet in a named envelope today. Please read through and check the information carefully, make any alterations if needed, sign and return as soon as possible. This helps to ensure that the information we hold is accurate. A letter explaining what forms are included and what needs completing is also in the envelope. Please return forms by 29th September.

Many thanks for your cooperation in this matter.

### **School Photographs**

Local photographer, Sue Draycott, will be coming into school on Wednesday 2nd October to take individual and family photographs. All children will have an individual photo taken for their record. If you would like a sibling photograph and the children are in school, please indicate on the letter included in the forms going home today and we will ensure they get taken throughout the morning. If you have a younger child and would like to have a photo taken please take them to the hall from 8.40a.m. onwards for that to be taken.

### **Flu Immunisations**

The flu programme is arranged via the NHS.

**The school's link will be closing on the 29th September.**

This is your last opportunity to have the vaccination at the School session. Use the link below to consent for the flu immunisation

We do not have access to any lists or information regarding this. When you register you should receive a confirmation email. Any queries must be to them direct.

Should any parent not have access to a computer or experience difficulty with completing the form online we would be happy to do this with them over the phone on the following number: 0333 321 9884.
